

Job Vacancy SONOGRAPHER

Job Title	Sonographer	Probation Period	3 Months
Location	Mombasa	No. of Direct Reports	None
Reporting to	Centre Manager	Budget Responsibilities (Y/N)	N

Marie Stopes Kenya is an NGO registered in Kenya. We are affiliated to Marie Stopes International. Together we deliver quality sexual and reproductive health care and family planning to millions of the world's poorest and most vulnerable women. We want to make sure that women have a choice when it comes to having children and that death by unsafe abortion is reduced.

We seek to recruit a Sonographer which is part of the programs and operations Department and reports to the Centre Manager, the Sonographer job exists to perform quality ultrasound examinations to clients and make quality reports to assist the physician with the diagnosis and treatment. The Sonographer's role and responsibilities include providing diagnostic medical sonography services and its various clinical specialties. The Sonographer's activities are performed consistent with their education and training, and in accordance with MSI policies, procedures, and applicable professional standards.

The primary responsibility of this role is to further our Goal: **THE PREVENTION OF UNWANTED BIRTHS** and its mission of ensuring the individuals' right to: **CHILDREN BY CHOICE NOT CHANCE**

The post holder commits to and is held accountable to Marie Stopes International global core values:

Mission Driven	Customer Focused	Results Orientated	Pioneering	Sustainable	People Centered
----------------	------------------	--------------------	------------	-------------	-----------------

Key Responsibilities

- Review client medical history and supporting clinical information and communicate with the client in a manner appropriate to the client's ability to understand the procedure.
- Conduct client clinical assessment and perform the diagnostic medical sonography examination ordered by the supervising physician in accordance with professional and facility protocols.
- Review examination images, synthesize examination results, and prepare the preliminary findings.
- Apply independent judgment during the sonography examination to ensure that appropriate anatomical, pathological, and clinical conditions are accurately captured in the examination images.
- Assume responsibility for the safety of the client during the sonographic examination.
- Maintain client privacy and confidentiality in accordance with privacy laws and facility policies, and procedures.
- Use proper client positioning tools, devices, equipment adjustment, and ergonomically correct scanning techniques to ensure client comfort and safety, and to prevent compromised data acquisition and musculoskeletal injury to the sonographer.
- Generate demand for ultrasound services by collaborating with internal and external stakeholders to drive client volumes.
- Prepare exam room and ultrasound equipment to conduct sonography examinations in accordance with infections disease, sterilization, and client safety protocols, policies, and procedures.
- As necessary, acquire additional ultrasound imaging to facilitate optimum diagnostic results for the interpreting physician.
- Identify and document any limitations to the sonography examination and escalate as appropriate.
- Assume responsibility for the preventive maintenance for ultrasound equipment to ensure it operates at optimal level at all times.
- Operate the Picture Archiving and Communication System (PACS)
- **Support marketing events to optimize imaging business with the community and building up a reliable referral network of specialise scans.**

Behaviours and Values:

Successful performance at MSK is not simply defined in terms of ‘what’ people achieve, but equally is about ‘how’ people go about their jobs and the impact that they have on others.

Work as One MSI	You contribute, use, and share accurate data and evidence to improve understanding, insight and decision-making across MSI, enabling us to maximize our ability to influence others. You share relevant knowledge, expertise and resources to strengthen teamwork and prevent duplication of effort. You actively work as part of a team, providing support and flexibility to colleagues, demonstrating fairness, understanding and respect for all people and cultures.
Show courage, authenticity and integrity	You hold yourself accountable for the decisions you make and the behavior you demonstrate. You are courageous in challenging others and taking appropriate managed risks.
Develop and grow	You seek feedback to enable greater self-awareness and provide the same to others in a way which inspires them to be even more effective. You manage your career development including keeping your knowledge and skills up to date.
Deliver excellence, always	You strive to consistently meet and exceed expectations, putting clients at the centre of everything, and implement smarter, more efficient ways of performing your role. You build and maintain effective long-term working relationships with all stakeholders, and are a true MSI ambassador.
Leadership	You inspire individuals and teams, through situational leadership, providing clear direction. You seek and provide opportunities which motivate team members, helping to develop skills and potential whilst strengthening our talent and succession pipeline. You are aware of emerging developments in our sector, demonstrating strategic insight about our clients and business and encourage this in your team. You articulate a vision of the future which inspires and excites others.

How to apply

Suitable and qualified internal and external candidates should email one document combining an application letter and CV to pd@mariestopes.or.ke on or before **25th April 2024**.
